About H&D Aplicaciones, Software y Desarrollo, S.L.U. in Spain

The AKDB in Bavaria (Anstalt für Kommunale Datenverarbeitung in Bayern - Institute for municipal data processing in Bavaria) and the Unternehmensberatung H&D GmbH founded a development site in Madrid in January 2022. We shape digitization in Bavaria's administration and beyond. Team-oriented working methods are part of our daily practice. Our colleagues come from 12 different cultures on 3 continents. We rely on areas of responsibility and sustainability instead of hierarchies - for people as well as for technology. We offer stable work belonging to a public agency in Bavaria.
